An Enjoyable Occasion

Mr. and Mrs. L. P. Keith entertained to their friends Friday night with a most delightful social. Many forms of amusement were indulged in and the expressions of delight with the entertainment were universal among those attending. The guests were: Mr. and Mrs. S. J. Conn, Mesdames Carrie Groves, Sylvia Russell, Pearl Brawner; Misses Lucille Mothershed, Birmingham, Ala., Vera Enbank, Winchester, Reese Shinfessel, Ethel Duncan, Ruth Moore; Messrs. Lawson and Walker Hall, of Lexington, Shelby Martin, Harry Russell, Gilbert White, and Harry O'Rear.

Refreshments were fruit punch and sandwiches that everyone enjoyed and the color scheme was purple and green.

Meeting Closes at Christian Church

The protracted services closed at Christian church Tuesday night. Twenty-six additions to the church, all by baptism, was the result of the meeting and Bro. French's zealous preaching. The church-going people of Clay City will gladly welcome the return of Bro. French to the church here whenever it is possible for him to come our way.

Drouth Completely Broken

Copious rains fell Saturday night, Sunday, Sunday night and again on Tuesday, which soaked down as far as the land is plowed. It also raised the river to bank full but did no damage to crops, though it got up into some of the corn. Thus is ended one of the worst drouths of recent years. Early corn is damaged considerably, but late corn will come out and probably make a full crop.

Ad Received too Late

The Times received just as our forms closed a nice advertisement from the splendid millinery firm of Mountz and Nelson announcing a new and complete display of fall millinery August 22nd. Let all ladies who can, call and examine their select line of new millinery. Remember the date, next Monday, August 22nd.

A Hundred Per Cent. School

Miss Della C. Portwood, teacher of lower Cane creek school, reports 100% in attendance for the first month of school. There are 65 pupils enrolled and 59 on census. There will be a pie supper at this school house Wednesday night, Aug. 24th. Everybody invited.

Improvement at Bank

Quarters at the Clay City National Bank have recently been rearranged and the furniture newly varnished. Oscar Staples is doing a piece of fine work on this furniture, which proves him to be an artist of rare skill.

Pie Supper at Pompeii

There will be a pie supper at the Pompeii school house Saturday night, August 20th for the benefit of the school.

Why This?

The Standard Oil Company's gasoline retails in some portions of Indiana, Missouri and other states as low as 15 cents per gallon. Kentucky is a leading oil producing State. Much of it is refined in the State where it is produced, but gasoline is not sold so low here, and why not? Kentucky automobilists pay as much as 5 cents per gallon more for gasoline than other States west of us, and this without any cause other than we tamely submit to the outrage. Gasoline can be sold as cheaply in Kentucky as any other state in the union. The fact that it is not should be sufficient reason why the oil glutinous should be made do so. We used to have laws to prevent discrimination of prices in different states, but where are they now?

Report of County School Board

The Powell County Board of Education is publishing in this issue a report of the receipts and disbursements for the past twelve months. This will be very interesting to read by all school patrons of the county, and its publication is indeed very commendable on the part of the board, since it shows to the people that the public is welcome to know, as the people have a right to know, where their money comes from and goes to.

Railroad to Pilot Knob

A survey is being made for a short railroad spur running from Argyle, this county, to Pilot Knob. The road is to be built to furnish shipping facilities for gravel that is found on the mountain in large quantities. The gravel is of the finest quality for concrete or railroad ballast.

Sale of Household Goods

Saturday, Aug. 20, J. J. Curry will have a public sale of a lot of household goods. Read his display advertisement in this issue for mention of articles. The sale will take place at his house of business adjoining Red River Hotel and will be for cash in hand.

SPOUT SPRING

Mrs. Callie Tutt, of Dayton, O. is spending a few days with her sister, Mrs. Fred Hanks.

Work on the new road was temporarily held up on account of the rains but it was resumed Wednesday morning with renewed vigor.

Charlie Van Cleve will begin teaching school at Fox, Monday, the 29th. Teachers' institute will be in session at Irvine next week.

Leonard Tutt, formerly of Wolfe county, but more recently of Indiana, was here Saturday and Sunday to visit the family of Fred Hanks.

Rev. M. C. VanCleve has purchased of J. E. Burgher that portion of his land in this county on the west side of the new road at Salem church, containing about thirty acres, for \$600 cash.

"No Smoking Allowed"

Capt. W. T. Short was here last week in the interest of lower insurance rates. He had a number of "no smoking allowed" signs tacked up about the garages, and instructed business houses what to do to lower insurance rates. If he succeeds in getting a reduction of rates, we will ever bless the day of his coming.

Campton Camp Meeting

The annual camp meeting begins at Campton Saturday and continues till Sept. 4th. Evangelist J. M. Wilson, of Kansas, has charge of the meeting. Meals and refreshments served on the grounds.

Thanks! Voters! Thanks!

For your confidence in my behalf at the polls on the 6th inst. over my opponent, Mr. H. S. Fryar, whose honesty and integrity is beyond question. I shall strive to the utmost to be worthy the confidence you have placed in me. Thanking you again, I am yours for success,

H. S. Martin.

Attention, Legionnaires!

Sept. 1st and 2nd, 1921, the State convention of the American Legion will be held in Lexington. Whom shall we send as our delegates? Come to Stanton court house August 27th at 7:00 p. m. and let's select some one to represent us there.

The drouth has been broken at last in this immediate locality, by the downpour of rain most all day Sunday. The earth has not been too wet for plowing since early in the Spring. Local farmers say its been the dryest and most unusual since '74.

Burford Estes, one of our progressive citizens of Upper Hardwick's creek, has erected a nice dwelling on land adjoining his mother's estate. He and his family are now occupying the interior of this home, with happiness and contentment.

Our public school has a full house this year, there being 64 pupils in attendance. Victor Stephens, teacher in charge, is handling the situation splendidly, giving universal satisfaction to its patrons. Mrs. Hoyt Baker and Mrs. Fannie Wiseman have returned to their home at Akron, Ohio, after a very pleasant visit with their parents, Mr. and Mrs. J. W. Mize.

The recent primary now over with many "wounds" made to the disappointed candidates should not be nursed too long. A thought carried in the mind a great length of time will finally become an established fact, so far as the mental capacity is concerned. Good Democrats, do not hold your personal feelings too long; let the wounded spots heal as quickly as possible and then fall back into democracy lines, marching on to victory this fall. Powell county Democratic primary has nominated a splendid ticket, we believe, of good substantial men. Let us all hold fast together, putting them all over the goal in November.

Mistletoe was a glorious thing in the day that it imparted the hint that a girl wouldn't mind being kissed, but now everybody seems to know that.

IS YOUR HEALTH GRADUALLY SLIPPING?

Interesting Experience of a Texas Lady Who Declares That if More Women Knew About Cardui They Would Be Spared Much Sickness and Worry.

Navasota, Texas.—Mrs. W. M. Peden, of this place, relates the following interesting account of how she recovered her strength, having realized that she was actually losing her health:

"Health is the greatest thing in the world, and when you feel that gradually slipping away from you, you certainly sit up and take notice. That is what I did some time ago when I found myself in a very nervous, run-down condition of health. I was so tired and felt so lifeless I could hardly go at all.

"I was just no account for work. I would get a bucket of water and would feel so weak I would have to set it down before I felt like I could lift it to the shelf. In this condition, of course, to do even my housework was a task almost impossible to accomplish.

"I was . . . nervous and easily upset.

I couldn't rest well at night and was . . . just lifeless.

"I heard of Cardui and after reading I decided I had some female trouble that was pulling me down. I sent for Cardui and began it. . .

"In a very short while after I began the Cardui Home Treatment I saw an improvement and it wasn't long until I was all right—good appetite, splendid rest, and much stronger so that I easily did my house work.

"Later I took a bottle of Cardui as a tonic. I can recommend Cardui and gladly do so, for if more women knew, it would save a great deal of worry and sickness."

The enthusiastic praise of thousands of other women who have found Cardui helpful should convince you that it is worth trying. All druggists sell it.

DON'T COUGH

You can stop that distressing cough—stop it quickly and surely. **Foley's Honey and Tar** is the best known and most successful family cough medicine on the market. It loosens the phlegm and mucous; soothes the raw inflamed surfaces; eases the soreness and gives quick relief. Contains no opiates.

F. G. Provo, Bedford, Ind., writes this: "A gripe left me with a severe cough. I lost in weight and got so thin it looked as though I would never get well. I tried Foley's Honey and Tar and after taking two bottles, I am now well and back to my former weight."
